

## Proof of Insurance Notice

Dear Homeowner,

In order for Texas Home Outlet to release your home for delivery, the following criteria must be met:

1. You must have proof of homeowner's insurance
2. Texas Home Outlet must be listed as additional insured (Owner-finance Only)
  - T.H.O. must be listed as an additional insured because as the Dealer, T.H.O. is invested in your home and ultimately, responsible for the home should you default on your loan.

Texas Home Outlet will be happy to help you get insurance on your home should you need assistance. If you feel you can do this on your own, please reference the information listed below when speaking with your insurance agency.
