

Installation Anticipated Date and Designated Contact Person

In accordance with the Administrative Rules of the Manufactured Housing Division of the Texas Department of Housing and Community Affairs, this written disclosure is provided to inform you of the date currently scheduled for the delivery and installation of your home. Should you have any questions or need to change the scheduled date, please contact the person listed below.

The delivery date shown below is a good faith best estimate of when the installation process will begin. In addition to the possibility of you requesting a schedule change there are also many unforeseen factors beyond our control that can impact this scheduled date. Bad weather, equipment breakdowns, illness and permit delays are only a few examples of things that can affect your scheduled delivery date.

If a change in the schedule is necessary we will notify you. Barring any unforeseen or uncontrollable circumstance, you can expect the delivery and installation of your home to begin on:
